

STEP 1

1

CRAWL**Stay Low — Crawl Under Smoke**

Get low to the floor immediately. Crawl under any smoke, covering your mouth and nose with a cloth.

STEP 2

2

COVER**Cover Mouth & Nose**

Since you are in the kitchen, do NOT open any hot doors as you try to escape. Find your safest exit route out of your home.

STEP 3

3

STAIRS**Use Stairs Only**

Once you are safely outside your home, call the Fire Brigade on 101 immediately.
