

STEP 1

1

CALL 112**Call Emergency: 112**

Call 112 immediately. Clearly tell them what is happening and your approximate location.

STEP 2

2

BREATHE**Stay Calm**

Try to stay as calm as you can. Take slow, deep breaths to help you think clearly.

STEP 3

3

FOLLOW**Follow Authority Instructions**

Listen carefully for any instructions from emergency services. Evacuate safely if you are told to.
